ACQUIESCE

ac•qui•esce (a-kwē- 'es)–verb; to surrender, to become quiet

Acquiesce Winery is Lodi's only dedicated white wine winery. We make premium, food-friendly, white wines and rosés from estate grown wine grapes. Our vines are lightly watered and thinned. The grapes are then handpicked and whole-cluster pressed to maintain their optimal fruit characteristics. We acquiesce to the grapes. . . and to nature.

2016 Sparkling Grenache Blanc

Our blanc de blanc méthode champenoise sparkling Grenache Blanc has exquisite balance and freshness. It is mineral driven and crisp with aromas of green apple, stone fruit and brioche. This is a lush and elegant representation of Lodi's terroir and pairs well with everything!

GROWING

Our Grenache Blanc grapes were harvested from our vineyard which is located in the Mokelumne River AVA of the Lodi Appellation. Our grape clones come from the famous French Château de Beaucastel Winery in the Châteauneuf-du-Pape region by way of Tablas Creek. The cool nighttime breezes from the Mokelumne River nearby give the grapes ripe, fruity flavors with excellent balance.

WINEMAKING

All of our grapes are hand-picked and immediately pressed as whole clusters to capture the fresh, flavorful Grenache Blanc character. The grapes were harvested in the early morning to keep acidity at its highest, providing the vibrancy in the wine. The juice is then cool fermented in temperature controlled stainless steel tanks to highlight the pure fruit expressions.
